

ADDENDUM TO CAMBRIDGE & WYDNFALL POOL RULES FOR 2021 POOL SEASON

In response to the COVID-19 pandemic, and in recognition of the various federal, state, and local orders and directives currently in place, the Board of Directors for the Association has adopted the following rules regarding access and use of the pool facilities to reduce the threat of COVID-19, and to remain consistent with such federal, state, and local orders and directives:

1. The danger of exposure to the COVID-19 virus exists. Individuals entering the pool facilities are specifically warned that the HOA cannot guarantee the premises are sanitized to the degree that would prevent the spread of COVID-19.
2. **Every individual entering the pool facilities is responsible for his or her own protection and enters at his or her own risk.**
3. **Do not use the pool facilities if you or anyone in your household has a cough, fever or other symptoms of illness, has had such symptoms in the last 14 days, or has tested positive for COVID-19 within the last 14 days.**
4. **Maintain at least 6 feet between you and other people who are not a part of your household.**
5. Pool hours are attached.
6. Aquatic Management Group will spray high touch surfaces and bathrooms routinely with a medical grade disinfectant. Members shall at all times while accessing/using the pool facilities adhere to the terms and conditions set forth in all applicable Orders issued by the North Carolina Governor and/or Wake County, and all guidelines issued by the Centers for Disease Control and Prevention.
7. Pool furniture is spaced to achieve social distancing requirements – do not move pool furniture on the deck. Furniture groupings, tables & chairs cannot be reserved or saved for others. All users are responsible for cleaning their own furniture before and after use.
8. All lifeguards and pool staff will be screened daily by the pool management company before workers enter the pool facility. Any lifeguards or pool staff who become sick will be immediately isolated and removed from the pool facility. Members will be notified promptly if the Association is notified that any pool staff or members who have been at the pool have been diagnosed with COVID-19.
9. In addition to any differing requirements of any particular Order currently in effect, Members should engage in the following social distancing and general health recommendations while accessing/using the pool facilities:
 1. Limiting interaction with persons of separate households and maintaining at least six (6) feet distance from other individuals excluding such person's immediate family or household;
 2. Washing hands using soap and water for at least twenty (20) seconds as frequently as possible and the use of hand sanitizer;
 3. Regularly cleaning high touch surfaces while using the pool facilities (bring your own disinfecting wipes to the pool);
 4. Avoid touching of eyes, nose, and mouth;
 5. Cover mouth and nose when coughing or sneezing and throw used tissues away immediately after use;
 6. Wearing a cloth face covering while outside of the pool; and
 7. Carrying hand sanitizer and using frequently.

11. Guests and invitees are strictly prohibited. Only members and family members residing in their home may use the pool for summer 2021.
12. ~~No toys, diving sticks, floatation devices or other pool accessories are allowed other than equipment worn on the swimmer's body (goggles, personal floatation "wings" or life jacket for young children).~~ Members shall not share such pool accessories with anyone outside their immediate family or household, and Members shall be responsible for ensuring the cleanliness of all such pool accessories.
13. Members shall furnish their own towels and not share towels with anyone outside their immediate family.
14. Members shall be responsible for removing all personal items (towels, goggles, clothing, etc.) when they leave the pool, and any items left after the pool closes will be discarded – no Lost and Found will be maintained at the pool this season.
15. Violations of these rules shall be enforced to the fullest extent allowed under the Association's Declaration and Bylaws including but not be limited to, loss of pool privileges and/or fines.
16. This Addendum shall supplement the previously adopted Pool Rules. To the extent this Addendum is in conflict with the previously adopted Pool Rules, this Addendum shall control.
17. This Addendum and the additional Rules contained herein shall be in effect until otherwise revoked by the Board of Directors.
18. The pool may be closed for use if at any time, and without notice, if the Board of Directors determines that it is unsafe to continue to operate the pool facilities for any reason.

WARNING

Swimming is an inherently dangerous activity in and of itself; however, in light of the COVID-19 pandemic. Members are specifically encouraged to abide by a heightened standard of care which is owed by all individuals during this crisis. For your health and the health and safety of our community and our staff, please exercise social responsibility while on the pool premises. Neither the Association nor its management company can be responsible for preventing the spread of germs throughout the pool facility, including those related to COVID-19. The pool facilities are open to members to use at their own risk, and users are solely responsible for wiping down surfaces, social distancing within the facility as publicly recommended or required, and using personal protective equipment (gloves, masks, etc.) as provided herein. Individuals entering the facility are specifically warned that the Association is not able to sanitize the premises in a manner that would completely prevent the spread of COVID-19, nor can the Association ensure the safety of members while using the pool facilities.

DO NOT USE THE FACILITY IF YOU OR ANYONE IN YOUR HOUSEHOLD HAS TESTED POSITIVE FOR COVID-19 OR HAS A COUGH, FEVER, OR OTHER SYMPTOM OF ILLNESS.
